("Plant Health Care" or "the Company")**

**FIRST MAJOR ORDER FOR NATURAL PRODUCTS SUPPLY AGREEMENT**

Following the announcement of a multi-year supply agreement on 8 September 2008 with The Scotts Company ("Scotts"), Plant Health Care (AIM: PHC.L), a leading provider of natural products to the agriculture and landscape industries, announces its first significant order for the supply of PHC's Natural Plant Food, for immediate delivery.

Scotts are the global leader in the consumer lawn and garden industry and under the terms of the agreement, Plant Health Care will supply Scotts with natural products for inclusion in their line of lawn and garden products for the retail market.

John Brady, CEO of Plant Health Care commented, "This agreement allows us to participate in the retail markets with the global leader and is an important step towards our stated goal of becoming one of the world's leading developers and suppliers of natural products for plant health.
