Plant Health Care plc ("Plant Health Care" or "the Company")

**PLANT HEALTH CARE ANNOUNCES SUPPLY AGREEMENT WITH JOHN DEERE
LANDSCAPES**

Plant Health Care (AIM: PHC), a leading provider of naturally derived products to the agriculture and landscape industries, announces that it has entered into a multi-year supply agreement with John Deere Landscapes Inc. ("JDL"), the largest supplier of wholesale nursery and landscape supplies for green industry contractors in the United States. JDL operates over 300 landscape supply branches throughout the country.

Under the terms of the agreement, Plant Health Care will supply JDL with naturally based products for nationwide distribution. JDL will also exclusively offer Plant Health Care Tree Saver as their preferred tree and shrub mycorrhizal inoculant. PHC Tree Saver delivers beneficial microbes that help increase plant survival after planting.

In addition to this agreement, the two companies will continue working together to develop naturally-based products that meet the growing needs of JDL's commercial landscape customer base.
