

ASSENT

Product evaluation to include in the list:

ZERYA[®] BIOSTIMULANT & NUTRITIONAL PRODUCTS

MANUFACTURER: **Plant Health Care Inc.**

PRODUCT: **PREzym[™]**

(Fertilizer with Zn+Mn Chelates and PREtec[™] peptides)

Once the information provided by the manufacturer was presented and evaluated, the Technical Board and the Agronomy Coordination have verified the compliance of the FOUR validation criteria required to the ZERYA[®] BIOSTIMULANT & NUTRITIONAL PRODUCTS with the following results:

- 1) Uniformity in the formula: SATISFACTORY
- 2) Multi-residue testing: SATISFACTORY
- 3) On-Field Efficacy: SATISFACTORY
- 4) User Friendliness: SATISFACTORY

Hence the product is considered FIT to be included in the ZERYA[®] BIOSTIMULANT & NUTRITIONAL PRODUCT list and the Registry is granted for a period of 5 years upon the issuance of this ASSENT.
